The Department of Natural Resources is preparing a basin-wide plan for the Republican River Basin in collaboration with the four Natural Resources Districts within the Basin, which include the Upper, Middle, and Lower Republican and the Tri-Basin Natural Resources Districts.

Notice is hereby provided that a public meeting of the plan's Stakeholder Advisory Committee will be held on Tuesday, March 15, 2016, at the Community Center in Cambridge, Nebraska (722 Patterson Avenue). At this meeting, only the plan development process will be discussed. The goals and objectives and the timeline will not be discussed at this meeting.
