

STATE OF NEBRASKA }
Department of Public Works } ss.

This is to certify that the foregoing application has been examined.

.....
Governor.

Department of Public Works.

.....
Secretary-State Engineer.

This is to certify that the foregoing application has been examined and is hereby granted subject to the following limitations and conditions:

- 1st. The work of construction shall begin on or before February 28th, 1923.
- 2nd. The time for completing the work of construction shall extend to November 1st, 1923.
- 3rd. The time for completing the application of water to the beneficial use indicated shall extend to November 1st, 1923.
- 4th. The water appropriated shall be used for the purpose of irrigation.
- 5th. The prior rights of the owners of land bordering on this stream, or through which this stream flows, to so much of the natural flow of this stream as is necessary for domestic uses, including stock water, must be respected.
- 6th. The prior rights of all persons who, by compliance with the laws of the Sate of Nebraska, have acquired a right to the use of the waters of this stream must not be interfered with by this appropriation.
- 7th. The amount of the appropriation shall not exceed 0.47 cubic feet per second of time; neither shall it exceed the capacity of said ditch or canal, nor the least amount of water that experience may hereafter indicate as necessary for the production of crops in the exercise of good husbandry; and, further, said appropriation, under any circumstances, shall be limited to one-seventieth (1-70) of a cubic foot per second of time for each acre of land to which water is actually and usefully applied on or before November 1st, 1923.
- 8th. The applicant shall file in the office of the Department of Public Works on or before February 28th, 1923, a map or plat, which map or plat shall be made to conform to the rules and regulations of the Department. A failure to comply with this section shall work a forfeiture of this appropriation and all rights thereunder.
