RE: Application VAR-2377

Please indicate the history of water administration/regulation for this stream reach:

Closing Notices have been sent: Most years, Some years, Almost never, Never

Regulating Notices have been sent: Most years, Some years, Almost never, Never

Field Office Comments:

Its their Storage water.

I say let them do it.

But need to account for Amount div.

? When re-filing Res Space? on doing their Storage App
is, I think Filing of Power. No matter what harm, to
an Irrig or Power, none.

Thanks

Tom

Also not bad, if they mention to me when they start
& finish.
