

STATE OF NEBRASKA

DEPARTMENT OF NATURAL RESOURCES

Plan of Dam Approval

This matter comes before the Director of the Department of Natural Resources (Department) pursuant to Neb. Rev. Stat. § 46-1652 which generally requires anyone intending to construct a dam to file an application for approval of plans and specifications of a dam prior to beginning such construction.

Plan P-18673 and associated specifications have been examined. The examination shows that:

1. The plan is for Prairie Creek Upland Dam 1 (PCUL 1), a proposed dam subject to the *Safety of Dams and Reservoirs Act*. The dam is located in the NE1/4 of Section 10, Township 10 North, Range 13 West of the 6th P.M. in Buffalo County.
2. John G. Petersen, P.E., of JEO Consulting Group Inc., 11717 Burt Street, Suite 210, Omaha, Nebraska 68154-1510, prepared the drawings and specifications.
3. The Central Platte Natural Resources District, 215 Kaufman Avenue, Grand Island, Nebraska 68803, owns the proposed dam.
4. The drawings and specifications were examined by a Registered Professional Engineer of the Department and were found to be consistent with current standards.
5. Following consultation with the Nebraska Game and Parks Commission, the Department finds the project will have "No Effect" on any state listed threatened or endangered species or their critical habitat.

The plan is hereby APPROVED subject to the following limitations and conditions:

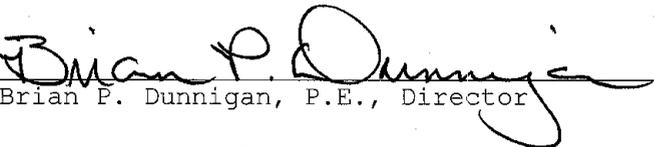

1. This approval will remain in effect for purposes of construction until November 1, 2015.
2. The owner of a dam shall provide written notice to the Department at least ten days before construction of the dam is to begin. Notices must be in writing and addressed to the Chief Engineer of the Department's Dam Safety Section. Notices may be delivered to the Department by mail, facsimile, or electronic mail.
3. The dam owner must comply with all relevant statutes. This includes, but is not limited to, the following:
 - A. Notify the Department of any change in ownership or address.
 - B. Receive approval prior to taking any action that changes the storage capacity of the reservoir, the specifications, or plan P-18673.

- C. Construct, operate and maintain the structure in accordance with Neb. Rev. Stat. § 46-241 and the *Safety of Dams and Reservoirs Act*, §§ 46-1601 to 46-1670.
 - D. Assume liability for all damages due to leakage, overflow or structural failure of the dam.
4. Upon completion of the construction, the owner shall file with the Department the enclosed "Construction Certification Form for Dams". Following receipt of this form, an approval to operate will be issued by the Department if it determines that the dam is safe to impound within the limitations outlined in this approval.

ADDITIONAL INFORMATION

Failure to comply with all laws and regulations pertaining to any orders issued by the Director of the Department of Natural Resources may result in administrative penalty, criminal prosecution, or any combination thereof.

DEPARTMENT OF NATURAL RESOURCES

Brian P. Dunnigan, P.E., Director

May 6, 2014

The applicant and any person with sufficient legal interest who has been or may be substantially affected by this approval may request a contested case hearing in accordance with the *Neb. Admin. Procedures Act* §§ 84-901 et. seq. RRS and the Department's *Rules of Practice and Procedure* 454 *Neb. Admin. Code* Chapter 7. The request must be received by the Department at its Lincoln office (Nebraska State Office Building, 4th Floor, 301 Centennial Mall South, P.O. Box 94676, Lincoln, Nebraska 68509-4676) within 30 days of the date of the Approval and be accompanied by a filing fee of \$10.

A copy of this approval was posted on the Department's website. Copies of this approval, plan P-18673, and a "Construction Certification Form for Dams" were mailed on May 6, 2014, to Lyndon Vogt, General Manager, Central Platte Natural Resources District, 215 Kaufman Avenue, Grand Island, Nebraska 68803. Copies of this approval and a "Construction Certification Form for Dams" were mailed to John G. Petersen, P.E., JEO Consulting Group Inc., 11717 Burt Street, Suite 210, Omaha, Nebraska 68154-1510. Copies of this approval, engineering review report, and plan P-18673 were provided to the Department's field office in Ord, Nebraska.
