

Disclaimer for DNR Bench Mark Website

The Nebraska Department of Natural Resources receives benchmark information from the U.S. Geological Survey, retrieves benchmark information from the National Geodetic Survey, and occasionally establishes new benchmark points. The department provides this information to the public as a service.

The Nebraska Department of Natural Resources is not responsible for, and expressly disclaims all liability for damages of any kind arising out of use, reference to, or reliance on any information contained within the benchmark website. Although the information contained within the site is periodically updated, no guarantee is given that the information provided in this website is correct, complete, and up-to-date.
