

State Flood Hazard Mitigation Plan

The following items summarize the NeDNR Floodplain Management Section's progress to date:

Survey Still Open!

- Please complete the brief survey regarding Nebraska's floodplain regulations and mitigation capabilities: <https://www.surveymonkey.com/r/KQSFXNM>
- The survey is available through **January 7, 2022**.
- For survey supporting information, please review the presentation slides found [here on the project website](#). The presentation details Nebraska's many flood mitigation capabilities.

Draft Plan Sections:

- The following *draft* sections are posted on the website and the comment period is open through **January 7, 2022**:
 - Capability Assessment and Regulatory Framework
 - Flood Insurance Claim Analysis
- Draft sections and the form for submitting comments may be found in the right-hand column on the Plan's web page once posted:
<https://dnr.nebraska.gov/floodplain/nebraska-flood-hazard-mitigation-plan>

Projected Tasks for January:

- The fifth Plan Development Committee meeting is scheduled for **February 8, 2022**, at **10:00 a.m.** CST. Meeting invitations will accompany February's Project Update.
- Begin incorporating comments from the above *draft* sections.
- Refine draft of Flood Mitigation Strategies and Practices Project sheets.
- Assemble data for GIS-based flood risk assessment model.
