

Project Update

Floodplain Management Section
May 2022

State of Nebraska Flood Hazard Mitigation Plan

The following items summarize the NeDNR Floodplain Management Section's progress to date on the above project:

Draft Plan Sections:

- The **complete draft** 2022 State of Nebraska Flood Hazard Mitigation Plan ("Plan") document is posted on the project [website](#) for your review and input. The draft Plan and the form for submitting comments may be found in the upper right-hand column of the website. **The Plan will be available for comment through 5:00 p.m. CDT on May 11, 2022.**

Projected Tasks for May:

- Collected comments on the draft Plan will be considered for potential revisions and edits to the Plan prior to final approval.
- The Final Plan will be completed by the end of May and is to be submitted to the Governor's office at the beginning of June.
