6. Appropriation A-12358 was originally granted to a single landowner. Upon approval of NEX-9655 land appurtenant to A-12358 will be owned in part by Pamela Hitchcock and in part by Nebraska Educational Lands and Funds. Because of the multiple owners, the Department determined that it is in the best interest of the owners and the State to divide the water appropriation between the owners so that each owner's rights are distinguishable.
7. On July 5, 2023, Pamela Hitchcock filed map number 21208 showing the land proposed to be irrigated under appropriation A-12358 through transfer NEX-9655.
8. On July 14, 2023, Kelly Sudbeck filed map number 21209 showing land proposed to be irrigated under appropriation A-12358 through transfer NEX-9655.

Nebraska law provides that failure to use a portion or all of a perfected appropriation for more than five consecutive years may result in cancellation of the appropriation.
