

Public Participation Plan

For development of the Second Increment
Upper Platte River Basin-Wide Plan

AWRA 2019 Spring Specialty Conference
March 23-27, 2019

Melissa Mosier, Nebraska Department of
Natural Resources

Nancy Shank, University of Nebraska
Public Policy Center

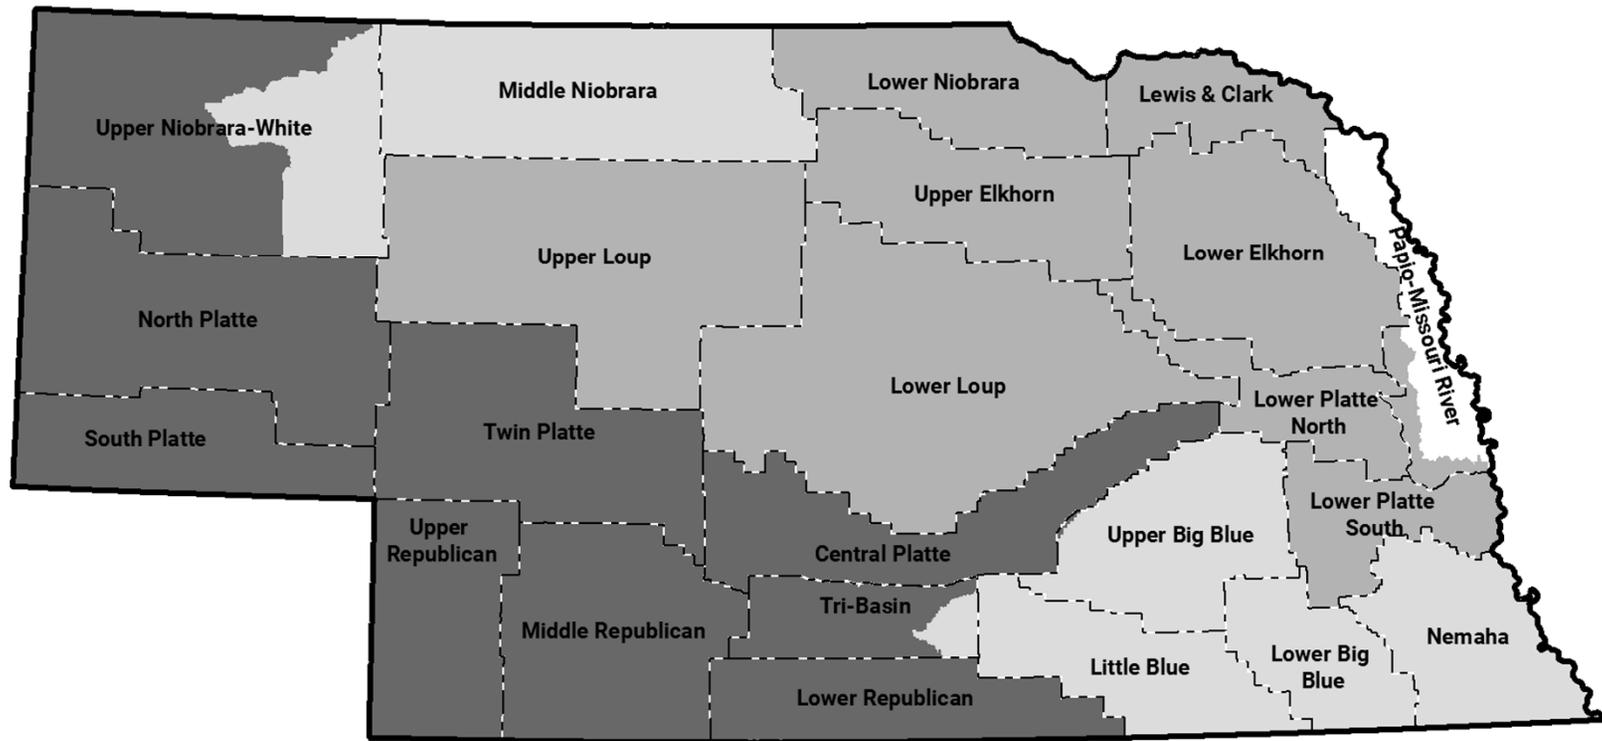

Outline

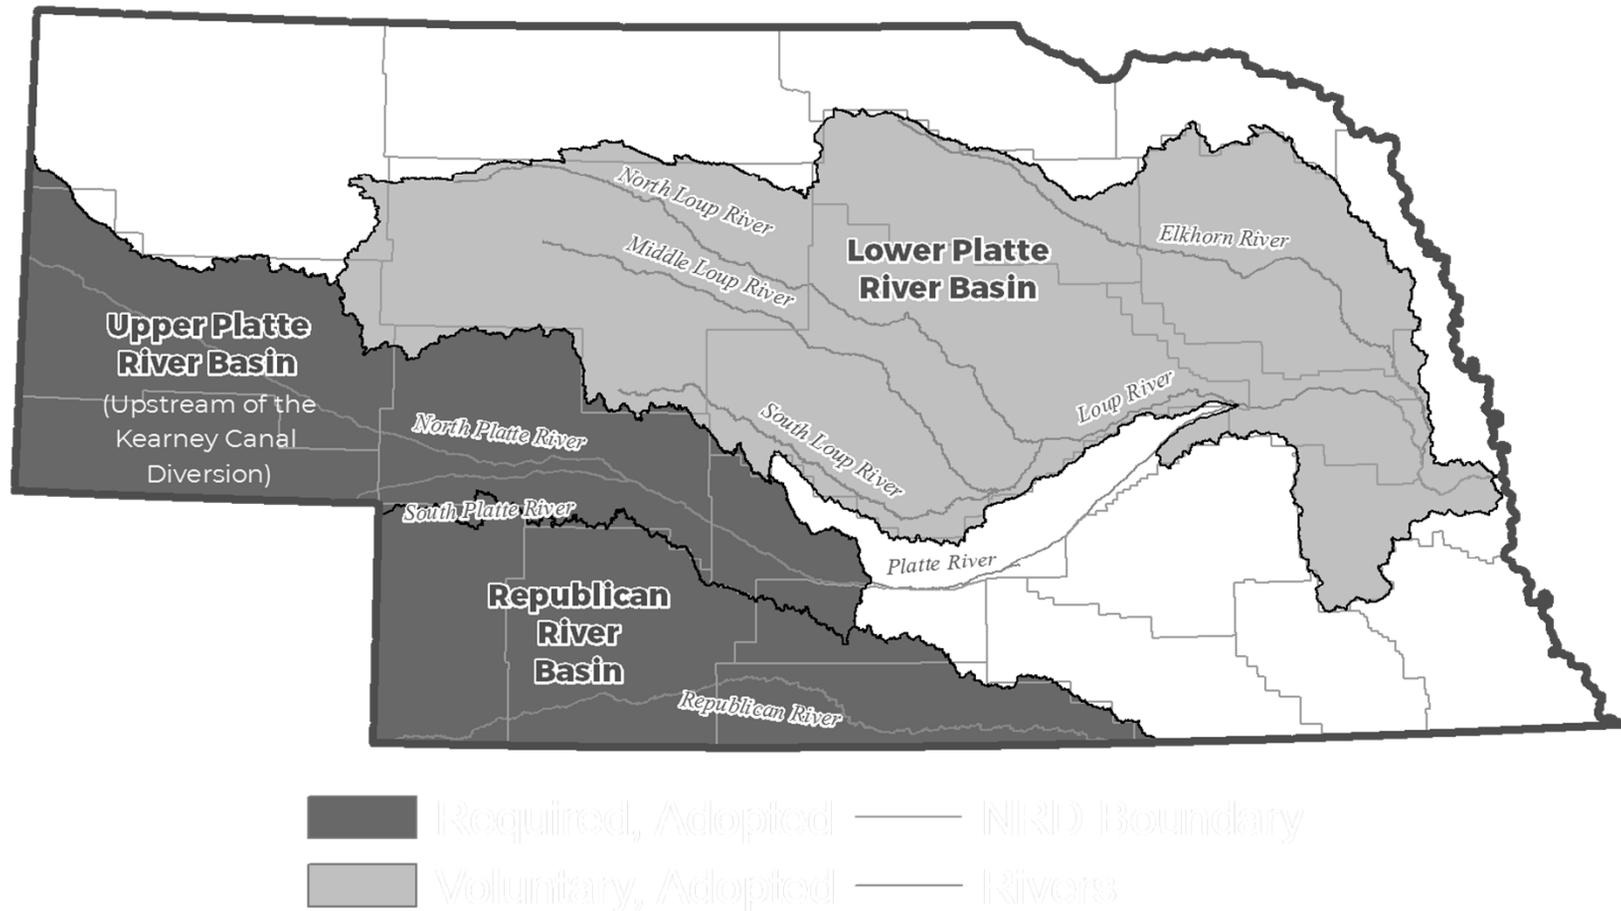

- Basin-wide and integrated management planning in Nebraska
- 1st increment Upper Platte River Plan
- Public Participation Plan development
- Outcome of 2nd increment Upper Platte River Plan

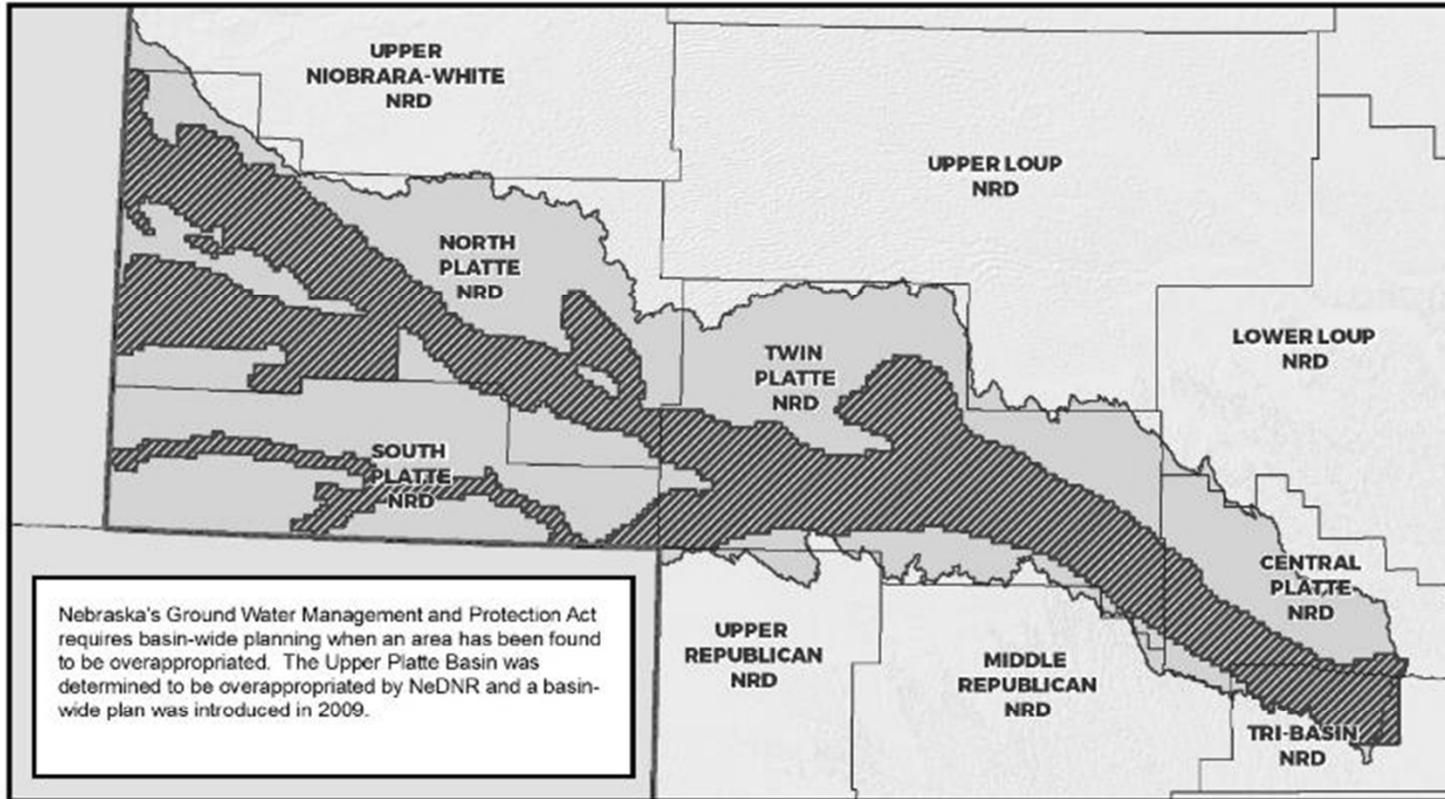

Basin-Wide & Integrated Management Planning

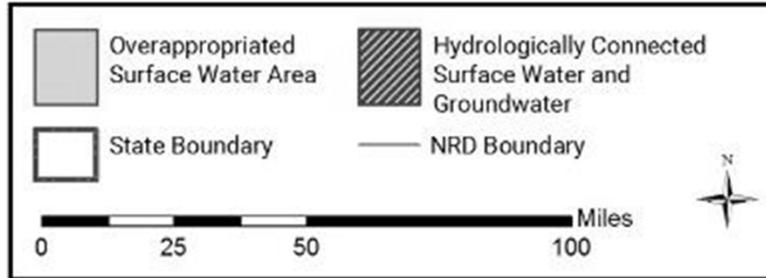

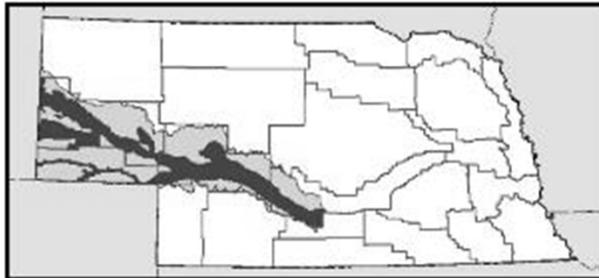

Basin-Wide & Integrated Management Planning

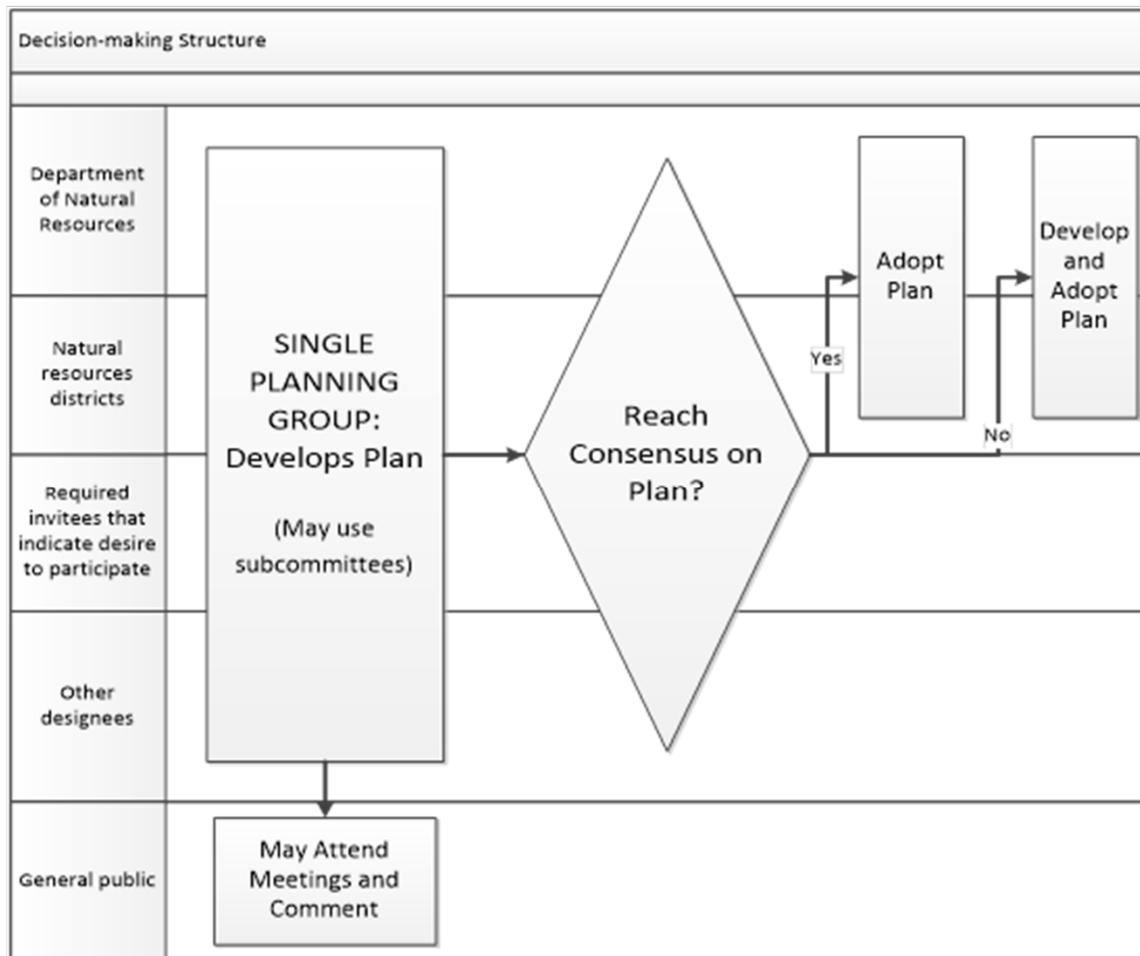

Upper Platte Basin-Wide Planning Area

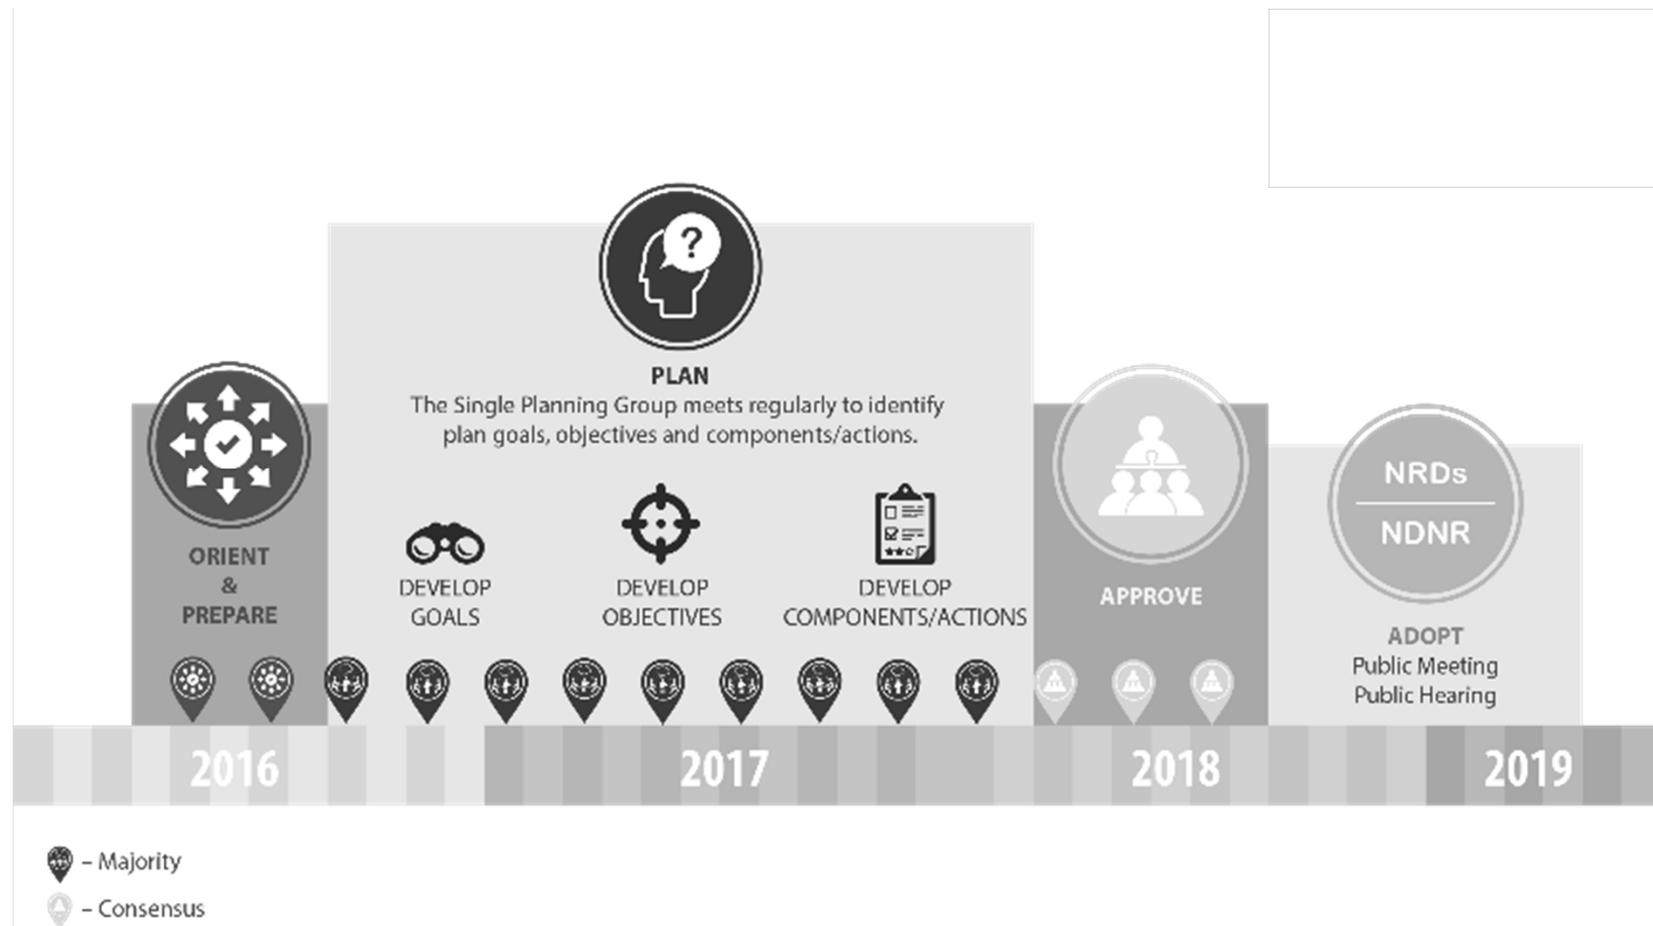

Nebraska's Ground Water Management and Protection Act requires basin-wide planning when an area has been found to be overappropriated. The Upper Platte Basin was determined to be overappropriated by NeDNR and a basin-wide plan was introduced in 2009.
