Construction Water Solutions, LLC.
PO Box 431
Holdrege, NE 68949

Dear Mr. Sughroue:

The Department has received from Construction Water Solutions, LLC, one notice of intent to withdraw and transfer up to 81.5 acre-feet ground water for industrial/construction purposes from a well owned by Don Stretesky and located in Section 8, Township 12 North, Range 42 West, Deuel County. This notice has been filed in our records as ITN-39.

Construction Water Solutions, LLC., is required to obtain approval from the South Platte NRD and provide this office with a copy of the agreement to access location of use before using the water. The project & water use will be completed by December 2020.

In addition, the user is required to meter the amount of ground water withdrawn and transferred from the well and will be required to report this amount no later than January 31 of each year on a form provided by the Department. The annual report form for calendar year 2019 will be mailed to the above address towards the end of the year.

If you have any questions, please call me at (402) 471-0591.

Sincerely,

Curt Inbody
