

STATE OF NEBRASKA

DEPARTMENT OF WATER RESOURCES

ss.

This is to certify that the foregoing Application Number 10240 for a permit to divert water for irrigation has been examined, and it is hereby approved subject to the following limitations and conditions, viz:

1st. That the source of this appropriation is - - - - - Dry Creek Drain - - - - -

2nd. That the water appropriated shall be used for irrigation purposes only.

3rd. That the priority date of this appropriation is - - - - - September 11, 1963 - - - - -

4th. That the applicant shall file in the office of the Department of Water Resources on or before - - - - - August 7, 1964, - - - - - a map as provided by Section 46-237, Reissue Revised Statutes of Nebraska, 1943, which shall be prepared in accordance with the rules and regulations of the department. No rights shall be deemed to have been acquired until the provisions of this section shall have been complied with, and a failure to so comply shall work a forfeiture of the appropriation and all rights thereunder.

5th. That the work of construction, or the installation of the pump and distribution system, shall begin on or before - - - - - August 7, 1964, - - - - -. The applicant shall vigorously, diligently and uninterruptedly prosecute such work or installation of facilities to completion, as provided in Section 46-238, Reissue Revised Statutes of Nebraska, 1943, as amended, unless temporarily interrupted by some unavoidable and natural cause. A failure to comply with the provisions of this section shall work a forfeiture of the appropriation and all rights thereunder.

6th. That the time for completing the work of construction, or the installation of the pump and distribution system, shall extend to - - - - - August 1, 1965, - - - - -.

7th. That the amount of this appropriation shall be limited to one-seventieth (1/70) of a cubic foot per second of time for each acre of land to which water is actually and usefully applied on or before - - - - - October 1, 1966, - - - - -.

8th. That the department may require the installation of a measuring device as provided by Section 46-256, Reissue Revised Statutes of Nebraska, 1943.

9th. That the rights of the owners of land bordering on streams in Water Division Number 1-A - - - - - to use water for domestic purposes, including the watering of livestock, must be respected.

10th. That the prior rights of all persons who, by compliance with the laws of the State of Nebraska, have acquired the right to use the waters of the natural streams of the state must not be interfered with by the use of water under this permit.

11th. That the applicant shall return this permit to the Department of Water Resources at the time of filing of the map, as required under paragraph 4 hereof, for the purpose of completing the records.

12th. The records show that there are periods during some years when the supply of water in the Platte River Basin, which includes Dry Creek Drain, is not sufficient to meet the requirements of all those having appropriations for its use. The applicant under this permit is hereby given notice that he may be denied the use of water during times of scarcity.
