

## June 3-6th, 2019: L0278: National Flood Insurance Program/Community Rating System

A **FREE** course about the Community Rating System (CRS), a nationwide initiative of FEMA's National Flood Insurance Program (NFIP). It describes activities eligible for credit under the CRS, how a community applies, and how a community modifies an application to improve its classification.

Please note: All participants must have an understanding of the NFIP and floodplain management principles. The course material will be difficult to follow without a participant being well-versed in basic concepts of floodplain management. It is suggested that participants be a Certified Floodplain Manager (CFM), or have completed the E273: *Managing Floodplain Development Through the National Flood Insurance Program (NFIP)* course, or be a Floodplain Administrator with more than 2 years of floodplain management experience.

Presented by: FEMA Region VII, ISO,  
Nebraska Department of Natural Resources,  
Iowa Department of Natural Resources, IFSMA, and NeFSMA.

FEMA

NEBRASKA  
DEPT. OF NATURAL RESOURCES

## Course Objectives:

- Describe how to join the CRS program and improve community CRS classifications.
- Identify ways to earn CRS points by reducing and avoiding flood damage to insurable property.
- Understand how to take full advantage of available CRS points as you strengthen and support the insurance aspects of the NFIP.
- Describe how to gain CRS points by fostering comprehensive floodplain management.
