Second offering:

Floodplain Development Permitting with Confidence

Friday, December 18, 2020

8:30 AM - 9:30 AM CST

Due to overwhelming response we are hosting two sessions of this course. You may attend only one session. If you previously registered for the Dec. 17, 1:00 PM course but would like to attend the Dec. 18, 8:30 AM course, please cancel your previous registration and re-register via the link below.

Join NeDNR staff for an informative 1 hour *virtual* class on the fundamentals of permitting floodplain management. This class is suitable for both novice and seasoned floodplain administrators, as well as any community members that review floodplain development permit applications.

The class will address the following topics:

- NeDNR's Model Floodplain Development Permit Application
- NeDNR's Floodplain Interactive Map
- When Elevation Certificates are required

Please *register in advance* for this *free* class. Participation is limited to 50 attendees, and priority will be given to Floodplain Administrators:
