DEPARTMENT OF NATURAL RESOURCES

APPROVAL OF APPLICATION A-19725

WATER DIVISION 1-F

Background

1. On August 19, 2020, Walter Allen, on behalf of ONEOK North System, L.L.C., filed application A-19725 for a temporary permit to appropriate water for the purpose of drilling and hydrostatic testing during pipeline construction.
2. Temporary permits may not be granted for a term of more than one year.

Order

IT IS HEREBY ORDERED that application A-19725 is APPROVED subject to the following limitations and conditions:

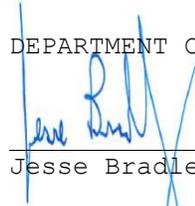

1. The source of water is the the Missouri River.
2. The water shall be used for the purpose of drilling and hydrostatic testing during pipeline construction.
3. The priority date is August 19, 2020.
4. The point of diversion is located in the S½ of Section 28, Township 10 North, Range 14 East of the 6<sup>th</sup> P.M. in Cass County. The location of diversion is generally depicted on the aerial photograph filed with the application.
5. The rate that water may be diverted under appropriation A-19725 shall not exceed 150 gallons per minute and a total diversion amount of no more than 10 acre-feet per year.
6. This authorization EXPIRES one year past the signing date of this application approval, and application A-19725 will be CANCELLED without further action by the Department as of that date.
7. The appropriator must comply with all relevant statutes. This includes, but is not limited to, the following:
  - a. Notify the Department of any change in ownership or address.
  - b. Notify the Department of the name and address of the person responsible for the use of the water appropriation (this may include contractors or tenants that actually apply the water to the approved use).
  - c. Getting approval from the Department prior to taking any action that changes the location of the point of diversion, the location of the place of use, the type of use, or the type of appropriation.

Additional Information

Failure to comply with all laws and regulations pertaining to surface water appropriations, any orders issued by the Director of the Department of Natural Resources, or the provisions of this Approval may result in the cancellation of the appropriation, temporary closing of the appropriation, administrative penalty, criminal prosecution, or any combination thereof.

This appropriation is not a guarantee that water will be available. Nebraska law gives priority to senior appropriations. This appropriation may be closed if there is insufficient water to satisfy senior appropriations.
