

STATE OF NEBRASKA

DEPARTMENT OF NATURAL RESOURCES

ORDER GRANTING EXTENSION OF TIME BY PETITION EOT-9102  
TO COMPLETE CONSTRUCTION FOR WATER APPROPRIATION A-19586

WATER DIVISION 2-F

BACKGROUND

1. Records on file in the Department of Natural Resources (Department) show that surface water appropriation A-19586 is held by the Papio-Missouri River Natural Resources District.
2. Appropriation A-19586 has a priority date of March 2, 2018, and authorizes the appropriator to store 71.2 acre-feet of water in Regional Detention Basin WP-7 Reservoir. The water may be diverted from a tributary to West Papillion Creek in the NW¼ of Section 28, Township 14 North, Range 12 East of the 6<sup>th</sup> P.M. in Sarpy County.
3. The approval of appropriation A-19586 was conditional upon completion of the structure by November 1, 2020.
4. On September 16, 2020, Michael Sotak, P.E., FYRA Engineering, on behalf of the Papio-Missouri River Natural Resources District, filed in the Department petition EOT-9102 requesting an extension of time to December 31, 2020, in which to complete construction because wet weather in 2019 caused construction delays. This petition was filed in a timely manner prior to the November 1, 2020, deadline.
5. Therefore, petition EOT-9102 should be granted.

ORDER

IT IS HEREBY ORDERED:

1. Petition EOT-9102 requesting an extension of time to complete construction is hereby GRANTED.
2. The deadline to complete construction of Regional Detention Basin WP-7 Reservoir authorized under appropriation A-19586 is extended to December 31, 2020.

3. All terms and conditions of appropriation A-19586 remain in effect unless specifically changed by this Order.
