

NOTICE OF STAKEHOLDER MEETING

MEETING RELATED TO THE CENTRAL PLATTE NATURAL RESOURCES DISTRICT AND THE NEBRASKA DEPARTMENT OF NATURAL RESOURCES' INTEGRATED MANAGEMENT PLAN

The Department of Natural Resources (Department) and Central Platte Natural Resources District (CPNRD), are preparing an update to the integrated management plan (IMP) for CPNRD.

Notice is hereby provided that a public meeting of the IMP's Stakeholder Advisory Committee will be held on November 13, 2018, at the Younes Conference Center in Kearney, NE. An agenda for the meeting will be available for public inspection during normal business hours at the offices of CPNRD and the Department, and at the following website: www.dnr.nebraska.gov. Please refer to the websites and phone numbers listed below for further information.

This stakeholder meeting will begin at 2:00 p.m. and end at approximately 4:00 p.m., Central Time, on Tuesday, November 13, 2018. A public comment period will be provided.

The current IMP for CPNRD was developed following the determination in 2004 by the Department that the entire District was fully appropriated and a portion of the District was overappropriated. CPNRD's initial first increment IMP was adopted in 2009 and is effective through fall of 2019, at which time a second increment IMP must be drafted and ready for adoption. According to *Nebraska Revised Statute §46-715*, the IMP will be developed in consultation and collaboration with District stakeholders and include: clear goals and objectives with a purpose of sustaining a balance between water uses and supplies; a map of the area subject to the IMP; at least one groundwater control and one surface water control; and a monitoring plan.

Individuals with disabilities may request auxiliary aids and services necessary for participation by contacting Elise Jarrett at the Nebraska Department of Natural Resources by 5 p.m. Central Time, Monday, November 05, 2018 at 402-471-0661 or by email at beth.eckles@nebraska.gov.
